******If your child is riding the bus, walking home, or is being picked up at school, please call, email, or send in a note. Our phone number is 215-393-5561 and my email is fuhrmadl@npenn.org. If you send in a written message, please mention that Extended School Care needs to receive the information.***

ALL THINGS MUST CHANGE

As the weather changes, please send your children in with warm clothes for outside play.

HOMEWORK TIME

We offer homework time each day for all our groups. If you would prefer that your child not do his/her homework with us, please put it in writing. Thank you.

NOVEMBER ACTIVITIES

Group 1 (K-2nd grade)

Group 1 enjoyed many activities during October! We made lollipop ghosts, had an apple taste test, and carved a pumpkin. We've been doing fun science activities, like ghost eggs, on Wacky Science Wednesdays. During November, we have many fun activities planned. Group 1 is making lots of turkeys and doing experiments with popcorn. We will also celebrate our annual Charlie Brown Thanksgiving, which will involve feasting on the foods Charlie Brown served his friends for Thanksgiving. We look forward to an exciting month and hope you have a Happy Thanksgiving!

Miss Fuhrman, Mrs. Bernardo

Group 2 (3rd-6th grade)

During October, Group 2 had lots of fun creating fall marble art, painting with watercolors, and making pony bead witches, pumpkins, and candy corn. We also enjoyed working with hama beads and playing Bingo during the early dismissal. Some of the activities during November will include making colorful autumn wreaths and fall harvest murals. We will also celebrate our annual Charlie Brown Thanksgiving, which will involve feasting on the foods Charlie Brown served his friends for Thanksgiving. We look forward to a fun November and wish you a Happy Thanksgiving!

Mrs. Jenkins, Mrs. Robinson, Mrs. Bechle
