Group 1: Kindergarten - 1st Grade

Autumn has begun in Group One! October started the fall crafts and November brings more crafts including noodle art, cornucopias, Native American art and leaf art.

In science, we will talk about leaves changing colors and even collect leaves to make leaf people, leaf rubbings and clay leaves.

In the gym, we are learning lots of new games like dodgeball, ice cream tag and Mr. Fox. We are also practicing hula hooping and jump roping. As the weather is getting chilly, please remember to bring your jackets because we like to get as much fresh air as possible.

Happy Fall Y'all!

Mrs. Kallatch, Mrs. Pozzi and Mrs. A.

Group 2: 2nd - 3rd Grade

Double, double, toil and trouble.... In October, we welcomed some new friends to Group Two. We are so happy to have them. For fall and Halloween, we did some fun and spooky crafts such as bats, spiders and pumpkins. This group enjoyed coloring as well.

The kids enjoy playing gym games with Group Three such as "Scatter Dodge" and "Candy Shop." We will continue to go outside as weather permits.

In November, we'll be adding some brain games, science activities and of course more crafts!!

Mrs. Maher and Mrs. Roetman

Group 3: 4th - 6th Grade

Welcome to November and the fall weather.

In October, we made some fall related crafts such as painted owls, spooky spiders, ghostly perler beads and fall suncatchers. A group favorite was the pom-pom monsters and pool noodle pumpkins. Fall extreme dot to dot, such as pumpkins and Frankenstein, were a hit as well. In November, we will work on some Thanksgiving and fall crafts.

Gym time is always a favorite time of day. This month we had fun playing "World Domination" and "Freedom Ball." The students are also learning new jump rope rhymes and having fun with hula hoops. When the weather cooperates and before it gets dark, we will be going outside for some fresh air. Please remember to dress accordingly with sneakers and jackets.

For our first October early dismissal day, we based our day on the book "If You Take a Mouse to School." The group read the story, made mouse bookmarks, completed some science experiments, played "Pin Soccer," and decorated rice krispie treats. For our second early dismissal day in October, the group read "If You Give a Mouse a Cookie." We played "Candy Shop" in the gym, played bingo and decorated some festive cookies.

We hope you and your family have a wonderful Thanksgiving.

Miss Brooker
