## October Theme: Fall Frolic

## What's Been Happening:

September was off to a great start meeting many new friends and catching up with all of our old friends at the Extended School Care Program. We love making art projects and showing our unique creativity with our finished products. Some of our favorites were our self portraits, abstract art using dabbers and masking tape, craft foam owls, crayons in our favorite colors made out of craft sticks and craft stick scarecrows. Our crafty hands have been very busy!

We all enjoyed listening to back to school stories including "If Everybody Did", "If You Take a Mouse to School" and the story "You Are Special" by Max Lucado.

The weather has been beautiful and we have enjoyed playing ball game, making chalk pictures, jumping rope, trying out our skills at hula hoops and using our imaginations in dramatic play outside every day (One of our favorite dramatic play games is to play school!)

Please keep in mind, as the weather gets cooler, to have your children dress appropriately as we will still be going outside as much as possible.
