

**NORTH PENN SCHOOL DISTRICT**  
**School Board Policy**

**2411**

**ADMINISTRATION**

Reference: Administrative Regulation #2411

**Table of Organization**

The board of school directors requires the superintendent to maintain a current table of organization that defines line responsibilities for the district administration. This table of organization shall be modified to reflect any new positions, deleted positions, changed positions, title changes or reassignment of duties. The superintendent shall review with and seek approval of the board for changes to the table of organization.

The table of organization shall be maintained in Administrative Regulation #2411.

Policy:  
Adopted: April 16, 2009
